RIN 1652-AA68

**Adjustment of Passenger Civil Aviation Security Service Fee; Interim Final Rule;
Correction**

AGENCY: Transportation Security Administration (TSA), DHS.

ACTION: Interim final rule; request for comments; correction.

SUMMARY: The Transportation Security Administration (TSA) is correcting an interim final rule (IFR) published in the Federal Register on June 20, 2014. This IFR implements amendments to 49 U.S.C. 44940, which authorizes TSA to impose fees to defray the government's costs for providing civil aviation security services, such as those related to screening personnel, screening equipment, and other specified security services.¹ That document inadvertently failed to note the proper citation in a footnote in the Background section. This document corrects the interim final rule by revising this section.

DATES: Effective Date: This IFR is effective at 12:00 a.m. (Eastern Daylight Time) on July 21, 2014.

Comment Date: Comments must be received by August 19, 2014.

¹ See 49 U.S.C. 44940(a)(1) (enumerating specific aviation security services intended to be funded at least in part by the fee referenced herein).
